FROM NATURE'S PANTRY TO YOUR PLATE

About Us...

Metro foods is a leading supplier of Frozen, Dehydrated & Freeze dried fruits & vegetables in world. The company has a state-of-the-art processing facility that meets the highest international standards and ensure that our products retain their nutrients and taste. Metro foods uses only the freshest high quality fruits and vegetables which are processed using the latest technologies within hours of harvest to ensure maximum freshness and nutritional value along with maintaining flavor and colors of the food product. Our vegetables and fruits are inspected and tested at every stage of the production process to ensure they meet our high standard for quality.

Our vegetables and fruits are growing at our own farm or sourced from carefully selected suppliers. We are proud to offer our customers a wide range of –

- **Frozen Vegetables:** - We offer variety of frozen vegetables including broccoli, peas, corn, cauliflower etc. Our frozen vegetables are perfect for soup, stews and stir fries.

- **Dehydrated Vegetable:** - Our dry vegetables are perfect for storing in your pantry for long-term use. They are also great for adding to soups, stews and stir fries.

Our products are available in a variety of sizes and packing options, so you can find the perfect product for your need.

We also have strict quality control programs run by our trained quality team to check the quality of the raw material, processing and storage conditions in place to ensure that our products meet our high standards.

Our History:- Metro foods is an 18-year-old company based in Roorkee, India. The company was founded in 2005 by Mr. Arpit Agarwal who had a vision to provide high-quality processed food to consumers throughout world.

Today, we are one of the leading food processing industries in India.

Our Mission: - Our mission is to provide our customers with highest quality frozen, freeze dried and dry vegetables. While also being committed to sustainability and environmental responsibility. We are passionate about providing our customer with the best possible experience.

Our Future:- We are excited about the future of the frozen, freeze dried and dry vegetables industry. We believe that there is a growing demand for healthy convenient and affordable vegetables. We are committed to meeting this demand by providing our customers with the highest quality products and services.

FROZEN FRUITS & VEGETABLES

QUALITY PRESERVED... FRESHNESS FROZEN AT ITS PEAK

Our frozen fruits and vegetables are IQF to lock in their nutrients and flavor. This ensures that they are just as fresh and delicious as when they were picked. We offer a wide range variety of frozen vegetables including *Broccoli, Carrot, Corn, Peas, Spinach, Cabbage, Cauliflower Jackfruits, Bitter-Gourd* etc. Some of the high demand frozen fruits which we process are:- *Jamun, Litchi, Strawberries, Mangoes, Papaya* and many more. We believe that eating healthy is important and we are committed to providing our customers with nutritious frozen vegetables and fruits.

DEHYDRATED FRUITS & VEGETABLES

FLAVOURS DRIED IN TIME

AIR-DRIED VEGETABLES:

Our dry vegetables are carefully dehydrated to remove moisture without destroying their nutrients this makes them a convenient and healthy way to add vegetables to your diet. We offer dehydrated vegetables in different cut and sizes. Some of the most common selling products are:- *Cabbage, Carrot, French-beans, Onion, Garlic, Ginger, Tomato* etc.
